In that case, would it be possible to extend the bins stay from Thursday to Saturday?

Around when they are coming. They have a lot of drops and there is usually only 1-2 drivers. It's not a huge commodity like the other collections.

Ah, I see. That wasn't communicated to me.

Thank you for letting me know.

Out of curiosity what is the latest time that the bin can be picked up?

No. I've already explained to Marcos there is no one to pick up that late. Marcos is supposed to be working on an updated schedule for all of these extra bins.

Hey Sarah,

Thank you so much for processing the bins for this month!

It was brought to my attention that they are getting picked up early. On the forms, I wrote for the bins to be picked up around 4 but it seems that it is getting picked up around 10 instead.

Can this be corrected? We need the bin to be picked up at a later time.

Thank you
